DESCRIPTION

The Hot Crabber Glove: a favourite among divers and designed from diver feedback. The Hot Crabber offers great protection and dexterity for the working diver. Choose from one of two variations: The Original Hot Crabber or the tougher Hot Crabber Blue - offering enhanced durability and cut protection.

FEATURES

Flexibility: Shaped with curved fingers and fluted finger tips for better flexibility.

Extra Protection: Synthetic PVC/Nitrile coating providing extra protection

Resistant: Resistance to strong chemicals, acids, alkalis, oils and Petrols

Comfort: 100% cotton knitted liner for extra comfort

Cut Resistance Level: 1

SPECIFICATION

Hot Crabber Diver Gloves are available in Sizes 8 (M) 9 (L) and 10 (XL). The original Hot Crabber commercial divers glove has been designed by Life Support Engineering from commercial divers feedback. Made using a high quality multi-top glove with a neoprene gauntlet sewn on for extra comfort and compatibility with hot water suits.
